MEDIA INFORMATION

On behalf of the Anaheim Ducks, welcome to the 2010-11 National Hockey League (NHL) season. We hope to make your job covering the Ducks as easy and pleasant as possible. In order to help you achieve your goals in the most efficient manner, we have a few procedural guidelines of which you should be aware.

Media credentials are issued to working media only. All season and individual game credential holders should enter through the press entrance off Douglass Avenue (Northeast corner of the building). The press entrance and press will-call opens two and one-half hours prior to all games. Credentials are non-transferable, and unauthorized use will subject bearer to ejection from Honda Center and result in a loss of credential privileges.

Season media passes will be issued to recognized newspapers, magazines, television and established radio stations as well as websites affiliated with major broadcast outlets. Requests for credentials must be made on company letterhead. Credentials will be distributed on an individual basis. Season pass holders must notify the communications office of their intentions to cover a game in order to reserve press seating.

Individual game credentials should be requested in writing through the communications department (e-mail or fax) a minimum of 24 hours prior to game time or by 2:00 p.m. Friday for all Saturday or Sunday contests. You can email requests to agilchrist@anaheimducks.com, or fax to 714-940-2925. Pre-arranged passes must be picked up at the press entrance located inside the northeast entrance. Credentials will be issued on an availability-only basis.

Credentials are good for admittance to the arena, press box, press dining room and both locker rooms. We suggest coming to the morning skate if you need an interview before the game. Both teams' locker rooms will open five minutes after the last player has left the ice, following the game's conclusion. Your cooperation is asked in maintaining a working atmosphere. ABSOLUTELY NO AUTOGRAPHS ALLOWED DURING MEDIA ACCESS PERIODS.

Interviews that need advance preparation or special accommodation can be arranged by contacting the Ducks communications department. This includes all live television interviews for pre and post-game.

Photo credentials will also be issued in the same manner as other passes, with camera positions assigned by team photographer Debora Robinson; photographers should check in with Debora in the press dining room prior to game time.

Telephones for the working media should be ordered through Shelly Baker with Honda Center at (714) 704-2408.

Facsimile and photocopy services are available by contacting the Ducks communications department prior to the game.

On game days when the Ducks choose to practice, they will take the ice at 10:00 or 10:30 a.m. The visiting team's practice usually starts at 11:30 a.m. Please call the Ducks communications department if there is a question regarding either team's practice schedule. ALL requests for in-between period interviews must be made by the time of the Ducks' skate that morning.

We hope this outline of procedures and guidelines will assist you in your coverage of the Ducks and the National Hockey League at Honda Center for the 2010-11 season. Please don't hesitate to contact us if you need any additional assistance. We look forward to working with you this season.

Sincerely,

Alex Gilchrist

HENRY & SUSAN SAMUELI

ANAHEIM DUCKS HOCKEY CLUB, LLC & ANAHEIM ARENA MANAGEMENT, LLC

Susan Samueli was born and raised in Los Angeles, CA. She earned a B.S. in Mathematics from UC Berkeley in 1972. From 1972 to 1985 she was with IBM Corporation, where she worked initially as a software programmer in the Federal Systems Division, Westlake Village, CA, and then as a Systems Engineer in the National Marketing Division, Los Angeles, CA, providing technical marketing and sales support for IBM's mid-range computer systems. In 1985 she left IBM and focused her energy on raising her children, at which time she developed a keen interest in alternative health care. She developed an active consulting practice in the areas of nutrition, homeopathy, and Chinese herbs and subsequently received a Ph.D. degree in nutrition from the American Holistic College of Nutrition in 1993 and a diploma in Homeopathy from the British Institute of Homeopathy in 1994.

Henry Samueli was born in Buffalo, NY and grew up in Los Angeles, CA. He earned a B.S., M.S. and Ph.D. in Electrical Engineering from UCLA in 1975, 1976 and 1980, respectively. From 1980-1985, he worked in the defense industry and held various engineering and management positions in the Electronics and Technology Division of TRW, Inc., Redondo Beach, CA. Since 1985 Dr. Samueli has been a professor in the Electrical Engineering Department at UCLA, and he has also served as a Distinguished Adjunct Professor in the Electrical Engineering and Computer Science Department at UC Irvine since 2003. In 1988 he co-founded PairGain Technologies, a telecommunications equipment manufacturer, and served as a consultant and Chief Scientist of the company until 1994. In 1991 he co-founded Broadcom Corporation, a global leader in providing semiconductor solutions for wired and wireless communications. Dr. Samueli took a leave of absence from UCLA in 1995 to be at Broadcom full-time. As Chief Technology Officer he helps drive the vision of the company's research and development activities. He has published over 100 technical papers and he is a named inventor in over 60 U.S. patents. He was elected a Fellow of the Institute of Electrical and Electronics Engineers (IEEE) in 2000, a member of the National Academy of Engineering in 2003, and a Fellow of the American Academy of Arts and Sciences in 2004.

In December 2003, Susan and Henry purchased the management contract for the Honda Center sports and entertainment venue, creating Anaheim Arena Management, LLC, to oversee all operations of the arena, and in June 2005 they purchased the Anaheim Ducks National Hockey

League club, Honda Center's largest tenant. In 2005 and 2008 Honda Center was ranked as the third-largest grossing arena in the world in concert ticket sales, and in 2007 the Anaheim Ducks became the first California team ever to win the Stanley Cup championship.

The success of Broadcom Corporation has also provided Susan and Henry the opportunity to support many worthwhile nonprofit organizations. After Broadcom's initial public offering in 1998 they created the Samueli Foundation and to date they have gifted over $200 million in the areas of Education, Health, Social Services, the Performing Arts, and Jewish Culture. In 2003 and 2004 Susan and Henry were listed among BusinessWeek's 50 Most Generous Philanthropists in the nation.

Since relocating to Orange County, CA in 1995, Susan and Henry have become very active in the community. Susan is on the boards of the Orangewood Children's Foundation and the Samueli Institute, a non-profit scientific research organization they founded in 2001 focused on complementary and integrative medicine and the science of healing. A native of California, Michael and his wife Sherry have four children (Annie, Danielle, Bryant and Natasha) and currently reside in Laguna Beach.

BOB MURRAY

EXECUTIVE VICE PRESIDENT AND GENERAL MANAGER ANAHEIM DUCKS HOCKEY CLUB, LLC

Bob Murray enters his 36th consecutive year in the National Hockey League, his third as Executive Vice President and General Manager of the Anaheim Ducks. He was named to his current position on Nov. 12, 2008 after spending the previous three-plus seasons as the club's Senior Vice President of Hockey Operations.

Since taking over as Executive Vice President and General Manager in 2008, Murray has made several changes to the club's roster to add skill and toughness to the lineup. In 2010, the Ducks acquired defensemen Lubomir Visnovsky, Andy Sutton and Toni Lydman. The club also had a widely-lauded draft with the selections of Cam Fowler and Emerson Etem in the first round. The Ducks enter the 2010-11 campaign with a revamped defense, a proven number one goaltender (Jonas Hiller) and a standout group of forwards that includes Ryan Getzlaf, Corey Perry, Bobby Ryan, Teemu Selanne and Saku Koivu.

After a series of mid-season roster moves, the 2008-09 Ducks made a late charge to qualify for the playoffs, going on to beat the Presidents' Trophy-winning San Jose Sharks in the Western Conference Quarterfinals. That made Anaheim the fifth team in the expansion era (1967-68) to upset the league's top regular season team in the first round. The Ducks fell to Detroit in a dramatic, seven-game series in the Conference Semifinals.

Prior to being named Executive Vice President and General Manager, Murray was the club's Senior Vice President of Hockey Operations for three-plus seasons. He was named to the post on July 14, 2005. In that role, he reported directly to Executive Vice President and General Manager Brian Burke. Much of Murray's work behind the scenes under Burke led directly to many successful trades and other player transactions by Anaheim. During that three-year period, the Ducks won a Stanley Cup (2007), Pacific Division title (2007), and qualified for the playoffs each season.

Murray's previous responsibilities as Senior Vice President of Hockey Operations included overseeing all aspects of player development and serving as General Manager of Anaheim's American Hockey League (AHL) affiliate (previously Portland and Iowa). Murray was the General Manager of the Portland Pirates from 2005-06 through 2007-08. The Pirates went to the Conference Finals twice (2006 & 2008), appearing in six playoff rounds. Between 2005 and 2008 (three seasons), Anaheim and Portland combined to win 10 and appear in 14 playoff rounds over the last three seasons, both the most of any organization in hockey.

Prior to joining the Ducks, Murray worked as a Professional Scout with the Vancouver Canucks from 1999-05 under then-General Manager Brian Burke (1998-04). Murray's scouting expertise helped to build teams that recorded 100+ point seasons two years in a row (2002-03 and 2003-04) and advanced to the Stanley Cup Playoffs four seasons in a row (2001-04). Before his stint in Vancouver, he served as a Scouting Consultant for Anaheim during the 1998-99 season.

Murray was a member of the Chicago Blackhawks organization for 25 years, serving as General Manager from 1997-99. He was named the sixth General Manager in team history on July 3, 1997. He was promoted to the post after serving as Assistant General Manager under Bob Pulford for two seasons. Before joining upper-management, Murray was named the Director of Player Personnel in 1991 and was largely responsible for the club's NHL Entry Draft selections over eight seasons.

Drafted by the Blackhawks in 1974, Murray spent his entire 1,008-game, 15-year career in a Chicago uniform. He became just the fourth player in Blackhawks history to reach the 1,000-game plateau in 1989-90. In addition, he became the first defenseman in club history to appear in 100 postseason contests, reaching the mark during the 1990 Stanley Cup Playoffs. In all, Murray scored 132-382=514 points and currently ranks second in all-time points among Blackhawk defensemen (13th overall in club history). He was named to both the 1981 and 1983 NHL All-Star Games. Murray retired at the conclusion of the 1989-90 season. Known for his work ethic, intelligence and determination as a player, Murray remained with the organization as a Professional Scout following his retirement in 1990.

Bob and his wife Betsy have four children (Kevin, Andrew, Amanda and Katie), and a granddaughter (Mikayla).

TIM RYAN

PRESIDENT/CHIEF EXECUTIVE OFFICER, ANAHEIM ARENA MANAGEMENT, LLC

EXECUTIVE VICE PRESIDENT/CHIEF OPERATING OFFICER, ANAHEIM DUCKS HOCKEY CLUB, LLC

Tim Ryan enters his sixth season as Executive Vice President/Chief Operating Officer for the Anaheim Ducks. Since being named to his current post in the summer of 2005, Ryan has led the club to record levels of success in business operations while leading aggressive community and fan development programs aimed at improved education, health and well-being, and recreation in the Southern California market.

Ryan is now in his 18th year with Honda Center and 32nd in arena management and event creation. In addition to his duties with the NHL club, he serves as President and Chief Executive Officer of Anaheim Arena Management, LLC (AAM). In his role, Ryan oversees one of the premier entertainment and sports venues in the United States. Through mid-year 2010, *Venues Today Magazine* ranked Honda Center 10th in the World for live entertainment. The facility is also seven-time finalist for "Venue of the Year" in the United States as selected by *Pollstar Magazine* editors.

Through strategic planning, business development and event production, Ryan ensures the arena is active with a variety of first-class events. Under his guidance, the arena has recently hosted some of the world's top names in live entertainment and over the next several months will serve as host site to UFC 121 and 2011 NCAA Men's Basketball Regionals. This March, the venue also becomes home to the annual Big West Men's Basketball Tournament. Honda Center has also served as host to the 2003 World Gymnastics Championships, 2005 World Badminton Championships, the annual John R. Wooden Classic, five previous NCAA men's basketball tournament events and the first Frozen Four west of the Rocky Mountains in 1999. A variety of professional sports teams have also called Honda Center home, including indoor soccer, arena football and indoor lacrosse. Since 1993, over 28 million people have been entertained at Honda Center, enjoying more than 2,800 events.

As Executive Vice President/Chief Operating Officer of the Anaheim Ducks, Ryan oversees all business operations of the professional hockey team. He assumed his current dual roles on June 20, 2005 when the Ducks were purchased by Dr. Henry and Susan Samueli, owners of AAM. In five seasons, the Ducks have played to Honda Center crowds at 95% of capacity, selling out 124 games. The Ducks also had a club-record 78-game sellout streak from 2006-08.

Ryan has also spearheaded several initiatives from the Samuelis, including charitable programs that support approximately 500 non-profit organizations annually, a team foundation that supports the community in the areas of education, youth hockey and health and wellness, and an expanded grass-roots marketing program. The Ducks launched *THE RINKS* development program in 2007, which supports and promotes youth ice and roller hockey in Southern California. The blossoming program includes youth hockey leagues at Anaheim ICE, Huntington Beach Inline, Corona Inline, and Westminster ICE. The club also launched the first-ever Orange County High School Hockey League in 2008, with five additional teams joining in 2010. Funded by the Anaheim Ducks Foundation, the club's education-based youth hockey program (S.C.O.R.E. – scholastic curriculum of recreation and education) has reached over 120,000 local school children over the last five years. The Ducks also have an 8,000 member Kids Club, the largest in the NHL.

In 1992, after a long career at the Long Beach Arena, Ryan joined the then-Arrowhead Pond of Anaheim (operated by Ogden Facility Management) as Assistant General Manager. He was promoted to General Manager in 1998 and was named *Pollstar Magazine* "Facility Executive of the Year" for 2001. During that time, Ryan was also charged with overseeing a number of other Ogden facilities and served as a consultant on various major entertainment projects. Near the end of 2003, the management contract for the arena was purchased by Anaheim Arena Management, LLC and Ryan was named President/CEO of both the company and the arena.

In addition to managing the 19,000-seat arena, Ryan is active in both the entertainment industry and in the local community. He also serves on the boards of several non-profit groups, including Big Brothers Big Sisters of Orange County, Los Angeles Sports Council, Orangewood Children's Foundation, Special Olympics Southern California, Stars and Stripes Tournament, Tiger Woods Foundation and Tiger Woods Learning Center.

Ryan graduated from California State University, Long Beach in 1979 with a Bachelor's Degree in Finance. He lives with his wife Michele in Huntington Beach and enjoys golf, fly-fishing and skiing.

DAVID McNAB

SENIOR VICE PRESIDENT OF HOCKEY OPERATIONS
ANAHEIM DUCKS HOCKEY CLUB, LLC

An original member of the Ducks, David McNab was promoted to Senior Vice President of Hockey Operations for the club on Nov. 18, 2008. He is now in his 33nd consecutive year in the NHL and 18th with Anaheim. McNab previously served as Anaheim's Assistant General Manager for 14 seasons. His duties include overseeing all aspects of player development, having an expertise on the new Collective Bargaining Agreement and its relationship to the salary cap in the NHL, contract and arbitration negotiation, player evaluation and scouting.

McNab's impact on the Ducks is significant. In just the last seven NHL seasons, Anaheim has appeared in Stanley Cup Final twice (2003 & 2007), including a championship in 2007. In addition to the two trips to the Stanley Cup Final, the club advanced to the Conference Finals in 2006 and the Conference Semifinals in 2009. In recent years, McNab has scouted and signed numerous collegiate free agents who have made major contributions to the success of the club.

Prior to being named as the Ducks' Assistant General Manager in December of 1995, the 54-year-old McNab was the club's first Director of Player Personnel and was largely responsible for the team's selections in the 1994-96 NHL Entry and Supplemental Drafts. McNab has also held the position as General Manager of the Ducks' top farm team in the American Hockey League for six seasons (the Baltimore Bandits during the 1996-97 season and the Cincinnati Mighty Ducks from 1997-2002) while also working on the AHL's competition committee for many of those years.

Considered to be one of the hardest working and knowledgeable scouts in the National Hockey League, McNab began his professional scouting career in 1978 with the Washington Capitals, where he spent four seasons. In 1982, McNab was signed by the Hartford Whalers, where he spent seven seasons as a scout, the last two as the Director of Player Recruitment. He then joined the New York Rangers in 1989, where he worked for four seasons before leaving to join the Disney-owned Ducks in 1993. His work with the Rangers helped the club to the 1994 Stanley Cup championship.

A graduate of the University of Wisconsin in 1978 with a degree in Communication Arts, McNab was also a goaltender on one of the greatest college hockey teams of all-time, the 1977 University of Wisconsin Badgers' NCAA championship team. He was drafted by the St. Louis Blues in the ninth round of the 1975 NHL Entry Draft (151st overall). McNab has worked on numerous occasions for USA Hockey, both as an Assistant General Manager for the United States in the World Championships on three different occasions, as well as serving as a consultant for the 1984, 1988 and 1992 United States Olympic Teams. He has also been a three-time member of the selection committee that votes for the Hobey Baker Award, college hockey's version of the Heisman Trophy.

A member of one of the most respected families in the NHL, McNab is the son of the late Max McNab and brother of Peter McNab. Max played on the 1950 Stanley Cup champion Detroit Red Wings and was a former general manager with the Washington Capitals and New Jersey Devils. He was also a recipient of the 1998 Lester Patrick Award given annually for "outstanding service to hockey in the United States." Peter played in 954 NHL games, scoring 363 goals and 813 points in a 14-year career and currently ranks tied for 108th all-time in goal scoring in the history of the National Hockey League. Peter is currently a broadcaster with the Colorado Avalanche.

David McNab was born in Vancouver, British Columbia, but grew up in San Diego, California and graduated from Point Loma High School in San Diego in 1973. He became a U.S. citizen in 1983. He and his wife, Kari, were married in Minneapolis, Minnesota in 1989 and have two daughters, Ali (19) and Erica (18). The McNab family resides in Yorba Linda, California.

HOW IT ALL BEGAN

On October 2, 1992, Walt Disney Pictures released the hit movie "The Mighty Ducks" and created a new wave of excitement among the nation's youth and ice hockey. Starring Emilio Estevez and a band of kids who learn to play and win as a team, "The Mighty Ducks" grossed $51 million at the box office and served as the inspiration for the name of the Walt Disney Company's NHL club.

The original official team colors and logo were unveiled on June 7, 1993, and Mighty Ducks merchandise was immediately propelled into one of the top sellers in all of professional sports.

Purple, jade, silver and white were chosen as the team's colors while an attractive crest featuring a duck head-shaped hockey mask was chosen to give the club its own unique identity. As a testament to the logos popularity, the Ducks original jersey was named the "most fashionable" uniform in all of sports at the inaugural ESPY awards in 1997.

The official team colors and logo were unveiled on June 7, 1993.

THIRD JERSEYS

The Ducks have appeared in three different alternate jerseys over the years (each pictured), with a fourth coming this NHL season. Anaheim's first alternate sweater was a cartoon Duck breaking through a sheet of ice. The club moved to a more classic approach with its next two sweaters, using black with dark plum, silver and white accenting as its color palate for the last alternate jersey worn during the 2003-04 and 2005-06 seasons.

This season, the Ducks will unveil a new third jersey on Friday, Nov. 26 vs. the Chicago Blackhawks. The new jersey will be unveiled by the players as they take the ice for the game (the traditional uniform will be worn during warmup). Following its debut on the day after Thanksgiving, the Ducks will sport the third jersey on 14 other occasions (15 in all). The third jersey will put an alternative spin on the traditional colors and logo, also paying homage to the club's history.

A NEW LOOK UNVEILED

In the spring of 2005, Henry and Susan Samueli entered into an agreement with the Walt Disney Company to purchase the Ducks franchise. In the Samueli's first year of ownership, the Ducks set then-franchise records for overall wins (43) and standings points (98). Entering the 2006 Playoffs as the Western Conference's sixth seed, the Ducks upset the third-seeded Calgary Flames in a thrilling seven-game series and went on to sweep the Colorado Avalanche before losing to the Edmonton Oilers in the Western Conference Finals.

On June 22, 2006, a new era began for the franchise as the team became officially known as the Anaheim Ducks. In addition, a new logo and color scheme was unveiled. The new look and identity of the Ducks were a collaborative effort, mixing opinions of fans as well as Ducks players, ownership and management. All parties involved unanimously decided to go beyond simply altering the original concept of an aggressive duck character.

In shaping the new design, the focus was sharpened to create an overall image that expressed excitement, speed and a competitive edge. In addition, a classic color palette of black and metallic gold was developed, with an accent of orange as a metaphorical link to the team's Orange County home.

The result is a strong, typographic mark anchored by a stylized "D" that echoes the image of a duck's foot or footprint. The custom typography has a powerful forward momentum and is made up of metallic gold letters with orange drop-shadows and a black holding shape. The new uniforms are an evolution of the earlier sweater design but with gold, white and orange sweeping stripes influenced by the curves of the "D" in the Ducks logo.

Set with a new look for the 2006-07 season, the Ducks made history and won the Stanley Cup. The club also won its first-ever Pacific Division title, spending the final 72 games and 163 calendar days atop the division. Anaheim once again broke club records in wins (48) and standings points (110). The Ducks defeated Minnesota (4-1), Vancouver (4-1), Detroit (4-2) and Ottawa (4-1), becoming the first West Coast team to win the Stanley Cup since the 1925 Victoria Cougars and the first U.S. team on the West Coast to win it since the 1917 Seattle Metropolitans.

A TWIST ON THE NEW

For the 2007-08 season, the National Hockey League and Reebok teamed to create the Rbk EDGE Uniform System to meet the performance demands of today's NHL player. The result of more than two years of research and testing, the system features technologically advanced materials and fabrics that are more breathable, more water-resistant, more comfortable and more compatible with equipment.

The Rbk EDGE Uniform System is worn by all 30 NHL teams in their respective colors and designs. The introduction of this system marked the first time in the history of North American professional sports that a uniform innovation had been implemented League-wide.

The event featured Anaheim Ducks players participating in a sushi rolling contest dedicated to benefiting and raising awareness for the Anaheim Ducks Foundation. Ducks players designed and named sushi roll recipes in hopes to have their roll featured on RA Sushi's menu in four locations, with a portion of the proceeds benefiting the Anaheim Ducks Foundation. The sushi roll with the most creative name, ingredients, presentation and taste was chosen by a panel of judges comprised of media and RA Sushi experts.

ANAHEIM DUCKS ANNUAL GOLF CLASSIC

The Anaheim Ducks kicked off the 2010-11 season by hosting the Anaheim Ducks Golf Classic presented by Honda. This annual tournament was held on September 15 at Oak Creek Golf Club and featured Anaheim Ducks players as the "fifth" player participating in foursomes for a round of golf alongside Ducks fans and supporters. The Anaheim Ducks Golf Classic raises funds to benefit the Anaheim Ducks Foundation.

The Golf Classic features exciting course competitions along with silent and live auctions. The Anaheim Ducks Golf Classic presented by Honda began with interactive contests versus Ducks players and a pre-shotgun breakfast program where sponsors drafted the Anaheim Ducks player that joined their foursome for an exciting afternoon of golf.

MEET THE TEAM

On October 5, the Anaheim Ducks held the annual fundraiser Meet the Team presented by OCRegister.com to raise funds for Register Charities and the Anaheim Ducks Foundation. The event featured a new twist this season: a Tuesday Night Fight Night Wii Boxing Tournament, where guests were given the opportunity to go head-to-head against a Ducks player in Wii boxing. Meet the Team presented by OCRegister.com was held at Bluewater Grill at The District in Tustin, where guests enjoyed delicious fare and specialty cocktails. Fans spent the evening socializing with Ducks players, coaches and management, and cheering on the contestants of the Tuesday Night Fight Night rounds.

Meet the Team also featured a silent auction filled with Ducks collectibles and Honda Center ticket packages, as well as a wonderful opportunity drawing with great prizes.

DUX IN TUX

For one evening, the Anaheim Ducks players and coaches hang up their skates and take on a new role as "celebrity sous chefs" joining some of Orange County's finest chefs. Players will treat guests to an evening of fine dining at the 11th Annual Dux in Tux presented by Honda. At Dux in Tux, the entire Ducks roster will be on hand – looking their very best in tuxedos – joining Orange County's finest chefs to provide guests with a night of quality service and exceptional cuisine in support of the Anaheim Ducks Foundation.

Ducks players, coaches and front office staff attend each year with their families to serve meals, spend time with those in attendance and give thanks on this special Thanksgiving holiday.

ANAHEIM DUCKS CASINO NIGHT

Each season, Honda Center is transformed from the Ducks home ice to an exciting locale such as a 1920s prohibition-era Speakeasy, Havana-inspired Cuba, Las Vegas or the Old West for the Anaheim Ducks Annual Casino Night benefiting Orangewood Children's Foundation. Casino Night gives Ducks fans and Orangewood Children's Foundation supporters the chance to play exciting casino-style games such as roulette, blackjack and craps alongside Ducks players and coaches. Guests also have the opportunity to place bids on an assortment of silent auction items throughout the night as well as enter to win a variety of exciting prizes in the evening's opportunity drawings.

Proceeds from the Anaheim Ducks Casino Night assist 44 Women for Children, an auxiliary of Orangewood Children's Foundation, in its scholarship efforts for Orangewood's youth. The mission of the Orangewood Children's Foundation is to end the cycle of child abuse by providing innovative programs focused on prevention, care, emancipation and public awareness.

LADY DUCKS FASHION LUNCHEON

During the Spring, the Anaheim Lady Ducks – wives and significant others of players, coaches and executive management – will host the Anaheim Ducks Fashion Luncheon benefiting Children's Hospital of Orange County (CHOC Children's). The show will feature fashions presented by Saks Fifth Avenue and South Coast Plaza. The annual Fashion Luncheon has raised money over the past three years to fund the new Anaheim Ducks wing on the oncology floor at the children's hospital and CHOC Children's Orthopaedic Institute Sports Medicine Program.

The event gives attendees the chance to have lunch alongside Ducks players, as well as enjoy a fashion show featuring members of the team, CHOC Children's ambassadors and professional models walking the runway as they show off the latest spring fashions. The Fashion Luncheon includes a VIP reception as well as silent and live auction items such as Ducks and other sports memorabilia, fantastic vacation packages and beautiful jewelry.

HOLIDAY SHOPPING SPREE

The Anaheim Ducks host children from The Wooden Floor (formerly known as Saint Joseph Ballet) each season for the annual Ducks Shopping Spree at Wal-Mart Foothill Ranch. Ducks players joined by their wives and significant others accompany The Wooden Floor students as they shop for school supplies, backpacks, new clothes and other essentials as a special holiday treat from the team. The Wooden Floor is one of the nation's most innovative after-school programs for at-risk youth. The mission of The Wooden Floor is to empower low-income youth from diverse backgrounds to strengthen self-esteem, self-discipline and a sense of accomplishment through dance, academic and family programs.

In addition to the shopping spree, the children were given tickets to attend an Anaheim Ducks game, an Anaheim Ducks Kids Club kit and a variety of Ducks merchandise.

GEORGE PARROS CUT FOR THE KIDS

Each season, Ducks fans join George Parros to help in the fight against cancer by donating their hair at the Annual George Parros Cut for the Kids to benefit the Childhood Leukemia Foundation (CLF). Since the start of his professional career, Parros has been growing his hair long so he can donate it to nonprofits that provide children with wigs during their treatments.

At the event, participants have the opportunity to meet George Parros, who is available for pictures and autographs, with 100% of the donations benefiting CLF. In addition, an opportunity drawing is held featuring a variety of great Ducks memorabilia.

The CLF is a national nonprofit organization that offers a wide range of services to children living with cancer, and their respective families. CLF also provides thousands of custom-made, 100% human hair wigs with kid-friendly hats (Hugs-U-Wear) to children around the country.

VISITS AND APPEARANCES

Each season, the Anaheim Ducks appear at a variety of organizations and community events. The Ducks make regular visits to the Children's Hospital of Orange County (CHOC Children's), visit local schools as part of the team's S.C.O.R.E. program, attend youth hockey clinics and rinks through Fan Development outreach efforts, and appear at local youth organizations, special events, charitable fundraisers and much more.

DONATIONS

The Anaheim Ducks are committed to assisting charitable organizations throughout Southern California to raise funds by providing auction items for local events.

Organizations interested in requesting a donation must be a 501(c)(3) agency located in Southern California. Requests must be submitted on the donation requests page of the Anaheim Ducks website, AnaheimDucks.com at least eight weeks prior to the date of the event.

GAME NIGHT ACTIVITIES

Anaheim Ducks games are a great opportunity to feature nonprofit organizations and help raise awareness of the needs in our community. Each season, the Ducks have a variety of activities at home games, including toy drives, HondaVision messages, Ducks memorabilia auctions, fundraisers for local nonprofit organizations, holiday activities and much more!

ANAHEIM DUCKS CHARITY TICKET PROGRAM

Through the generous donations of Anaheim Ducks corporate partners, players, management and fans, the Ducks are able to provide tickets throughout the season to 501(c)(3) charitable organizations in Orange County and surrounding areas.

COMMUNITY SPOTLIGHT

Each season, the Anaheim Ducks honor Southern California's local community members with the Community Hero Award, highlighting the nonprofit organizations they are associated with. The Community Hero Award was initiated as our way of saying thank you to individuals who have contributed significantly in assisting the local community through extreme acts of generosity and support.

TEAM HISTORY

The Syracuse Crunch enter their 17th year of operation in the American Hockey League in 2010-11, tied for the fifth longest tenure of any AHL team. In addition, the Crunch boast the AHL's longest current independent ownership group. It was that group, led by Howard Dolgon, that purchased the Hamilton Canucks franchise and moved it to Syracuse prior to the 1994-95 season, bringing professional hockey back to the Salt City for the first time in 14 years. The new team was re-named the Crunch and donned uniform colors of purple, teal, yellow, black and ice blue for its first six seasons of existence. The team's first logo featured a super hero-like figure bursting through a block of ice holding a hockey stick and yielding a purple cape.

The first official game in club history was played on September 30, 1994. The contest set a Crunch single-game attendance record at the War Memorial at Oncenter of 6,750. The game ended in a 7-7 tie and helped the team endear itself to fans for years to come. The end of the 1999-00 season saw the end of Syracuse's affiliation with Vancouver. In 2000-01, the Crunch entered into an affiliation with the expansion Columbus Blue Jackets. With a new affiliation came a new logo, new uniform and new team colors. The new logo depicted the face of a ferocious ice gorilla biting through a hockey stick with the word 'CRUNCH' emblazoned in capital letters above him. The official team colors were changed to black, navy, ice blue, red and day glow green.

The Crunch made history in 2009-10, as they became the first-ever AHL team to host an outdoor game. The Mirabito Outdoor Classic set a league single-game attendance record, as 21,508 fans came out to the New York State Fairgrounds to watch the Crunch defeat the rival Binghamton Senators, 2-1 on February 20, 2010. The event was deemed a major success for the team and league and was broadcast live to an international television audience on the NHL Network.

Syracuse opened another chapter in its history on March 25, 2010, when it announced an affiliation agreement with the Anaheim Ducks. The Crunch revised their logo and uniforms to match Anaheim's team colors of black, burnt orange and metallic gold. Anaheim represents the third primary affiliate in the Crunch's history. Syracuse also had a split affiliation with Vancouver and Pittsburgh during the 1997-98 and 1998-99 seasons. The Crunch have qualified for the Calder Cup Playoffs in nine of their first 16 seasons.

BOB FERGUSON

ASSISTANT GENERAL MANAGER

Bob Ferguson enters his first season as Assistant General Manager of the Syracuse Crunch. Ferguson has logged more than 29 years experience in a coaching or management capacity at the minor league and junior levels, including the last two seasons with the Ducks organization. Last year he served as a scout for Anaheim, responsible for amateur and college scouting along with other special assignments in hockey operations. In 2008-09, Ferguson held the post of Assistant General Manager for the Iowa Chops, Anaheim's then-affiliate in the AHL.

Prior to joining the Ducks, Ferguson spent nine years as a head coach in the professional ranks with the Indianapolis Ice of the then-IHL, as well as the Florida Everblades and Augusta Lynx of the ECHL. In his nine seasons as a professional coach, Ferguson's teams never missed the playoffs.

A native of Kingston, Ontario, Ferguson is a three-time USA Hockey National Champion (Gold Cup), a five-time United States Hockey League (USHL) Coach of the Year, a five-time USHL General Manager of the Year and two-time ECHL Coach of the Year. Before reaching the IHL, Ferguson coached in the USHL for 17 seasons with the Sioux City Musketeers and Des Moines Buccaneers. With 517 career USHL coaching wins, he ranks third all-time in league history. During his USHL tenure, he led Sioux City (2) and Des Moines (3) to multiple Clark Cup championships.

MARK HOLICK

HEAD COACH

Mark Holick enters his first season as Head Coach of the Syracuse Crunch. Holick begins his first AHL season after spending the previous three years as head coach of the Kootenay Ice, compiling a 120-75-21 record for 261 points and three consecutive trips to the WHL playoffs. In 2009-10, Holick guided the Ice to a 43-25-5 record (91 points) for a second-place finish in the Central Division and fourth in the Eastern Conference. Holick also served as an assistant coach for Team Canada at the 2009 IIHF World U18 Championship in Fargo, North Dakota.

A native of Saskatoon, Saskatchewan, Holick served 13 seasons as a head coach and assistant coach in the BCHL and AJHL from 1994-07. Holick began his professional coaching career as an assistant coach with Penticton (1994-95), Langley (1995-96) and South Surrey (1996-97) of the BCHL before becoming head coach of South Surrey in 1997-98. He also coached in St. Albert and Spruce Grove of the AJHL from 2003-06 prior to returning for his final BCHL season with Vernon in 2006-07.

MIKE STAPLETON

ASSISTANT COACH

Mike Stapleton begins his first season as Assistant Coach with the Syracuse Crunch. Stapleton previously spent four seasons as an assistant and associate coach in the OHL with Sault Ste. Marie (2008-10) and Erie (2006-08). In his final OHL season in 2009-10, Stapleton helped guide the Sault Ste. Marie Greyhounds to a 36-27-5 record (77 points) in the OHL's Western Conference. A native of Strathroy, Ontario, Stapleton began his professional coaching career as an assistant coach for Traverse City (NAHL) in 2005-06.

Originally selected by Chicago in the seventh round (132nd overall) of the 1984 NHL Entry Draft, Stapleton played 14 NHL seasons from 1986-2001 with seven different teams (Chicago, Pittsburgh, Edmonton, Winnipeg/Phoenix, Atlanta, NY Islanders and Vancouver). He appeared in 697 career NHL games, collecting 71-111=182 points with 342 PIM. Stapleton also skated in 34 career Stanley Cup Playoff games, recording 1-0=1 point and 39 PIM.

STRONG FINISH:

LEADING THE WAY:

Center **Ryan Getzlaf** concluded the 2008-09 campaign ranked tied for third among NHL leaders in assists, tied for sixth in scoring (25-66=91) and tied for fourth in power play assists (28)…in addition to leading the club in assists and scoring, Getzlaf broke the Ducks single-season assist record (previously Kariya, 62) on his third helper of the night as part of a four-assist effort on Apr. 4 at San Jose...with two assists (0-2=2) on Apr. 2 at Vancouver, he set a single-season career high in assists (60), one game after establishing a personal best for points in a season on Mar. 31 at Edmonton (83).

MOVING ON UP:

Right wing **Teemu Selanne** scored his 1,200th career NHL point with his overtime goal on Mar. 18 vs. Nashville...Selanne became the 45th player in NHL history to reach the milestone and only the sixth player born outside North America to reach the mark, joining Jaromir Jagr, Stan Mikita, Jari Kurri, Mats Sundin and Paul Stastny…he became the franchise's all-time games played leader with his 617th game as a Duck on Jan. 31 at Colorado...with his appearance that afternoon at Pepsi Center, Selanne surpassed former teammate Steve Rucchin for sole possession of first in all-time Ducks appearances.

POSTSEASON NOTES IN PLAYOFF SECTION

THE SEASON:

The Ducks completed the 2007-08 regular season with a mark of 47-27-8 record for 102 points, finishing second in the Pacific Division and fourth in the Western Conference…Anaheim eclipsed the 100-point mark for the second consecutive year, while setting new season club records for the fewest goals allowed (184) and most home wins (28)…Anaheim finished the year winning eight of its last 10 (8-2-0) and 15 of the last 20 games (15-4-1)…at Honda Center, the club went 12-1-0 in the last 13 games and 19-3-1 over the final 23 home contests…the club clinched a playoff berth for the third consecutive year and sixth time in franchise history on Mar. 26 vs. Los Angeles in a 2-1 shootout triumph.

DUCKS SELL OUT THE SEASON:

The Ducks' sellout vs. Phoenix on Apr. 6 (17,269) marked the club's 40th in 40 games at Honda Center in 2007-08, a complete sellout for the regular season…it was just the second time a local NHL team (Southern California market) had sold out a full (non-lockout) regular season…the 1991-92 Los Angeles Kings were the only other such team to do so at the 16,005-seat Forum…the Ducks set franchise attendance records last season for sellouts (40), average attendance (17,195) and percent capacity (100.12%)…the Ducks broke the team record for consecutive regular season sellouts on Feb. 22 against the St. Louis Blues when they surpassed the previous record of 51 straight regular season sellouts set from Dec. 22, 1993-Oct. 20, 1995...the Ducks finished the regular season with a sellout streak of 74 games, the third-longest active regular season sellout streak among U.S.-based NHL teams (behind only Minnesota and the NY Rangers).

WINNING AT HONDA CENTER:

The Ducks finished 28-9-4 at Honda Center in 2007-08, establishing a new franchise record for home wins in the regular season...the previous team record of 26 home wins was established during the 2005-06 season (26-10-5) and matched in the 2006-07 campaign (26-6-9)…the Ducks won a franchise-record 10 consecutive games at Honda Center from Feb. 17-Mar. 26, marking the longest home winning streak in the NHL in 2007-08.

THE TOP 10 LIST:

J.S. Giguere was one of only three goaltenders in the NHL in 2007-08 to rank among the top 10 in wins, goals-against average and save percentage...Giguere ranked second in GAA (2.12), third in SV% (.922) and tied for seventh in wins (35)...the only other two goaltenders who ranked among the top 10 in all three categories were New Jersey's Martin Brodeur and Minnesota's Niklas Backstrom.

HILLER SHINES:

Ducks goaltender Jonas Hiller closed the regular season on a strong note…from Mar. 1 through the end of the regular season, Hiller ranked second in the NHL with a .952 SV% (stopping 217-of-228 shots) and 1.55 GAA (11 GA/426 MIN) among goaltenders that played in at least five games (Hiller was 4-3-0 in those games).

WINNING WAYS:

Randy Carlyle (138-74-34) became Anaheim's winningest head coach in franchise history with a 2-1 victory over the New Jersey Devils on Feb. 8 at Prudential Center...Carlyle surpassed Ron Wilson's club record of 120 wins as a Ducks head coach with win No. 121 in his 223rd game behind the bench with Anaheim.

LEADERS BY ADDITION:

The Ducks went 20-5-1 after the return of right wing Teemu Selanne on Feb. 5 against the New York Islanders at Nassau Coliseum...the Ducks also had similar success when they welcomed the return of defenseman Scott Niedermayer and arrival of center Doug Weight...the Ducks owned the best winning percentage in the NHL after Selanne's return on Feb. 5 (.788) and the best winning percentage following Niedermayer's return on Dec. 16 (.708)...below is a closer look:

POSTSEASON NOTES IN PLAYOFF SECTION

PLAYOFF BOUND

The Ducks finished the regular season with a record of 43-27-12, good for 98 standings points and a sixth place finish in the Western Conference…the club clinched a playoff spot on Apr. 10 @ VAN, the fourth post-season berth in club history.

A RECORD-BREAKING SEASON

The Ducks set club-records in wins (43) and points (98), eclipsing the previous marks of 40 and 95, respectively, set in 2002-2003…Anaheim's 26 wins at HOME (26-10-5) also set a club-record, breaking the record of 23 in 1996-97 (23-12-6)…the Ducks also set club-records for goals scored with 251 (not including team goals awarded in shootouts) and power play goals with 87…all of these marks were broken again the next season (2006-2007).

STEADY CLIMB

On Jan. 13, the Ducks were 10th in the Western Conference (19-16-7, 45 points) and eight points out of the last playoff spot (occupied at the time by Colorado)...from that point on, Anaheim had a record of 24-11-5 for 53 points…the Ducks became just the fourth NHL team to qualify for the playoffs when trailing the 8th place position by 8 points-or-more anytime after Jan. 1…the first three teams to do so were the NY Islanders (1993-94 – finished 7th) , Ottawa Senators (1996-97 – finished 7th) & Vancouver Canucks (2001-2002 – finished 8th)…the San Jose Sharks followed suit by becoming the fifth such team to accomplish the feat…the NHL standings switched to the current format in 1992-93.

ANOTHER GREAT SEASON

Ducks Captain Scott Niedermayer established then career highs in points, assists and games played with 13-50=63 points in 82 games in 2005-2006...his assist and point totals were new franchise records for a defenseman (records he broke again the following season)... Niedermayer finished the season ranked 6th in the NHL in points and T-4th in assists by a defenseman...in his Norris Trophy winning season of 2003-04, Niedermayer scored 14-40=54 points in 81 games...in January, he was named to Canada's Olympic Team but elected not to play so he could have arthroscopic knee surgery during the Olympic Break...after the Olympic Break, he scored 4-17=21 points in 25 games in leading the Ducks to a 16-8-1 record...he was one of four Ducks' players to play in every game, marking the first time in his career he played all 82 games.

FLASHY FINN

Ducks right wing Teemu Selanne scored 40-50=90 points in 80 games with a +28 rating…he led the Ducks in goals, points, plus/minus, power play goals (18) and shooting percentage (15.0%)…after leading Finland to the Silver Medal at the 2006 Winter Olympics (was named best forward in the tournament), Selanne had 14-22=36 points with a +8 rating in his last 25 games (only Thornton and Cheechoo of SJ had more points)…his 40 goals are the most he scored in one season since 1998-1999, when he scored 47...he finished the season ranked T-13th in the NHL in points, T-10th in goals.

POSTSEASON NOTES IN PLAYOFF SECTION

DUCKS COMPLETE BEST SEASON IN TEAM HISTORY:

The Mighty Ducks finished the 2002-2003 season with a record of 40-27-9-6 for 95 points, good for 2nd in the Pacific Division and 7th in the Western Conference (tied in points with Minnesota, who earned the #6 seed by virtue of two more wins)…Anaheim set club records for wins and points in one season, surpassing the old records held by the 1996-97 Ducks (36-33-13 for 85 points)...the Ducks also finished 13 games over .500, after never being more that five games over .500 at any point during a season until this year (high-water mark was 14 games over, 40-26-9-5 after winning Apr. 1 @ NSH)…the Ducks clinched their third playoff berth in team history (also '97 & '99) on Mar. 24, when Calgary defeated Phoenix at the Saddledome...about 90 minutes later that evening the Ducks made the Phoenix loss moot, completing a 5-0 shutout vs. Columbus at the Pond.

THESE CLUB RECORDS ALSO FELL:

The Ducks had their most successful season both at home and on the road…Anaheim finished 18-17-2-4 for 42 points on the road this season, the first season at or above .500 in team history away from home…the Ducks broke the mark for road points by earning their 42nd on Apr. 1 @ Nashville (1993-94 team had 41 points with a 19-20-3 record)…Anaheim finished just one win short of the road win record, also held by the 1993-94 team...at home, the Ducks broke the team record for points with 53, going 22-10-7-2...Anaheim finished one win shy of tying the club record for home victories (both HOME records were set in 1996-97, 23-12-6 for 52 points)...the Ducks also broke club records for lowest GAA (2.32, previous record was 2.39 set 2001-2002), fewest goals allowed (193, record was 198 set 2001-2002), power play goals allowed (42, record was 46 set 2001-2002) and penalty killing percentage (87.4%, record was 86.1% set 2001-2002).

QUITE A TURNAROUND STORY IN ANAHEIM:

The Mighty Ducks finished the regular season posting the largest improvement in the NHL…the Ducks improved by 26 points from 01-02 to 02-03…below is a closer look:

The Ducks finished the season 29-42-8-3 for 69 points… Anaheim went 15-13-2-0 in the last 30 contests...the Ducks had the best defensive season in franchise history...they had a team GAA of 2.39 (ranking ninth in the NHL) allowing just 198 goals the entire season… the previous club records were 206 goals allowed for a 2.48 GAA set in 1998-99.…Anaheim also had the best penalty kill in club history...the PK unit killed 284-of-330 (86.1%) penalties, bettering the club record of 84.5% set in 1998-99...the fewest PP goals the club had allowed in a season was also set in 98-99, when it gave up 60 power play markers...in 2001-2002, the team shattered that record by allowing just 46 power play goals... Goaltender J.S. Giguere finished 2001-2002 with the fifth-best goals against average (2.13) and tied (with Burke & Khabibulin) for the fifth-best save percentage (.920) in the NHL... he shattered the club record for lowest goals-against average, well ahead of Guy Hebert's 2.45 GAA in 1998-99…Paul Kariya finished the 2001-2002 regular season as the Ducks leader in goals (32), points (57), power play goals (11), game-winning goals (8) and shots (289)…defenseman Keith Carney led the team with a +14 rating in his first season with the Ducks… Head Coach Bryan Murray finished the 2001-2002 regular season ranked seventh in all-time coaching wins… he moved into seventh place with his 501st win on Jan. 26 @ Nashville (3-1 final)...his historic 500th NHL coaching win came the previous night on Jan. 25 @ Dallas in a 6-1 triumph (eighth coach in NHL history with 500 wins)…Murray also became the eighth coach in NHL history to coach 1,000 games on Nov. 28 vs. Edmonton.

1997-98 SEASON:

The Ducks finished the season 26-43-13 for 65 points…the club went 6-7-4 over the last 17 games…Anaheim enjoyed the most success vs. the Atlantic Division, going 7-3-4 (.643 winning percentage) - marking the second best winning percentage vs. any division in franchise history (record is 66.7%, set in 1995-96 when the Ducks went 8-4-0 vs. the Northeast)…Anaheim had three players that ranked among NHL league leaders (including rookie leaders) in several categories (Selanne, Rucchin & Cullen)…the Mighty Ducks and Vancouver Canucks opened up their '97-98 NHL regular seasons with a two-game set in Tokyo on Oct. 3-4. The games marked the first NHL regular season contests outside of North America… Teemu Selanne's sensational season included an 11-game goal scoring streak, three hat tricks, 10 game-winning` goals, a club-record 13 goals in a month (November), a hat trick in the All-Star game, a Bronze Medal at the Winter Olympics, and a league-leading 52 goals (tied with Peter Bondra)… Selanne also became just the fourth player in NHL history to record at least 25% of his teams goals in one season…Paul Kariya suffered a season-ending concussion on Feb. 1 vs. Chicago and appeared in only 22 games on the season.

1995-96 SEASON:

Final Record: 35-39-8, 78 points (fourth, Pacific)... nearly qualified for a Western Conference playoff spot (the Ducks actually finished tied-for-8th in the conference with Winnipeg, but lost the tie breaker because the Jets had more wins)...Anaheim's 35 wins and 78 points marked new club records for one season...the Mighty Ducks finished out the season strong, going 6-1-1 in their last eight games and 12-3-2 in their last 17 games...the Ducks did a lot of their late-season damage at home, going 11-1-2 in their last 14 home games…Anaheim also had a 15-6-3 record in the last 24 contests and a 17-8-3 record in the last 28...the Ducks went 33-31-8 over the last 72 games after starting the season 2-8-0...the Mighty Ducks' home record was 22-15-4 (22 home wins was a franchise record for one season)...Anaheim ended the season with a club-record nine-game home unbeaten streak (8-0-1)...the Ducks went 11-1-2 in their last 14 at the Arrowhead Pond and 13-5-3 in their last 21...road record was 13-23-4...Anaheim had one of the best records in the NHL since March 1 (12-4-3); the second-best in the Western Conference… the Mighty Ducks earned 34.6% of their points on the season in the team's 19 games after March 1...Paul Kariya became the first Mighty Duck to make First Team NHL All Star, earning a spot on the 1995-96 squad at left wing. He also won the Lady Byng Trophy for the first time in his career...Here are a few facts of how Anaheim's acquisition of Teemu Selanne affected the Mighty Ducks…after Feb. 7, the day the trade went down: Anaheim earned a record of 17-9-3 (11-1-2 at home, 6-8-1 on the road)...the team earned club-records in overall winning streak (six games, Mar. 8-22), home winning streak (five games, Mar. 8-Apr. 3), home unbeaten streak (Mar. 8-Apr. 14, 8-0-1) and overall unbeaten streak (seven games, 6-0-1, Mar. 10-24)...the Ducks' power play went 29-145 for a .200 success rate (team had only gone 31-281 for .110 before trade)...Anaheim had three hat tricks (two by Selanne, one by Garry Valk). The Ducks had only one in their history before the arrival of Selanne (Terry Yake - Oct. 19, 1993 @ NYR)...Selanne's offensive numbers with Anaheim were 16-20=36 points in 28 appearances (1.29 points-per-game)...Paul Kariya's offensive numbers were 21-23=44 points in 29 appearances (1.52 points-per-game) after Selanne joined Anaheim...The Mighty Ducks were one of only three NHL clubs (also Colorado and Pittsburgh) to finish with two players in the top eight scoring leaders in 1995-96 (Paul Kariya, 50-58=108 pts. and Teemu Selanne, 40-68=108 pts.)...Anaheim was one of only eight teams in the NHL with a .900-plus team save percentage (.906) and a team goals-against-average (GAA) below 3.00 (2.97)…Anaheim finished tied-for-fifth in the league in save percentage and 10th in the league in GAA…Anaheim goaltending combined for a .952 save percentage and 2.08 GAA in 19 games from March 1 to the end of the season…Individually, Guy Hebert finished fourth in the league in save percentage with .914 on the season and tied-for-fifth in the league in shutouts with four (three of which came in his last 14 games).

The Ducks' double-overtime, series-clinching win on May 3 vs. VAN in Game Five of the CSF was the club's seventh multiple-overtime game in club history...the Ducks have gone 4-3 in those seven games...the club's last multiple overtime game before May 3 came on April 27 in Game Two of the CSF vs. VAN (3-2, Cowan GWG).

HATCHING HEAD COACHES IN ANAHEIM:

Of the four teams that competed in the Western Conference Semifinals, three were led by coaches who received their NHL head coaching start in Anaheim...**Ron Wilson** (SJ) served as Anaheim's head coach from 1993-97, while **Mike Babcock** made his head coaching debut with the Ducks from 2002-04...**Randy Carlyle** has coached the Ducks for the past two seasons, helping the team advance to the Stanley Cup Playoffs in consecutive seasons for the first time in franchise history...Vancouver's head coach, **Alain Vigneault,** the only CSF coach to have not served in Anaheim, succeeded Carlyle as the head coach of the Manitoba Moose (AHL) in 2005…in addition, another Anaheim connection existed in the Stanley Cup Final…Ottawa head coach **Bryan Murray** was the head coach of the Ducks in 2001-2002, before taking over as GM of the club (2002-2004).

PLAYOFF DEBUTS:

On April 11 vs. MIN in Game 1 of the CQF, three Ducks made their career postseason debuts...**Mark Hartigan, George Parros** and **Kent Huskins** all took the ice for the first time in NHL postseason competition...the three players recorded a combined 17:42 of TOI and maintained an even plus/minus rating...**Ryan Shannon** made his postseason debut on April 13 vs. MIN...after two games as a healthy scratch, **Shawn Thornton** played in a postseason contest for the first time on April 15 @ MIN and went on to play in 15 games going scoreless with 19 PIM...after his recall on April 8, **Aaron Rome** made his postseason debut on April 17 @ MIN, logging 11:01 of ice time...**Drew Miller** appeared in his first playoff contest April 19 vs. MIN (2:15 TOI), which also happened to be his NHL debut, in addition, **Miller** played in Games One and Two of the SCF, going scoreless with a +1 rating and two PIM....**Ryan Carter** made his NHL career debut on May 17 vs. DET in Game Four of the WCF…he also appeared in Game Four of the SCF...**Joe Motzko** logged 6:16 of ice time and recorded three hits in his first career NHL playoff game on May 20 @ DET.

DUCKS SET PLAYOFF TEAM MARKS:

The Ducks set a club record for goals in a playoff season, scoring 46 times in 2006…other notable team records set in 2006, were most goals in a playoff game (6 @ EDM on 5/25), goals in a period (4, twice in 2006), penalty minutes in a playoff season (267) and penalty minutes in a series (vs. CGY)…the club also tied the mark for playoff goals in a series (17, vs. CGY; also vs. PHX in 1997).

ROOKIES MAKE THEIR MARK:

Of the 128 team points (48-80=128) the Ducks scored during the postseason, Anaheim rookies accounted for 12-25=37 of them (28.9%)...the 37 rookie points were the most in one playoff year since the 1993 Los Angeles Kings had 40 rookie points...of the 16 goals the Ducks scored in the Western Conference Semifinals series versus Colorado, three were scored by rookies and all but three figured a rookie on the score sheet...the last time a team had six rookies play a game in the Conference Finals was the 1991 Boston Bruins (although only one, Jeff Lazaro, played all six games of the series).

TWO STILL PLAYING:

Anaheim was the only NHL organization to have both their NHL team and AHL affiliate reach each respective league's conference final...The Portland Pirates clinched the Atlantic Division Final Series, defeating the Hartford Wolfpack four games to two to advance to the Eastern Conference Final, where they fell to the Hershey Bears 4-3.

SIX IN A ROW:

With their Western Conference Semifinal series-clinching win in Game 4 (May 11) versus COL, the Ducks tied the franchise record for consecutive playoff victories with six...the record was set during the 2003 postseason from 4/10/03-4/26/03...the Ducks swept Detroit in the conference quarterfinals and won their first two games at Dallas in the conference semifinals.

13 UNANSWERED:

The Ducks scored 13 unanswered goals, from Game 6 (May 1) versus Calgary in the Western Conference Quarterfinals to Game 3 (May 9) versus Colorado in the Western Conference Semifinals...the Flames scored at 10:18 of the first period and the Ducks scored 13 goals without allowing a goal against until Dan Hinote scored at 19:33 of the first period in Game 3...The last team to score 13 or more unanswered goals in the postseason was Detroit with 14 from 5/15/95-5/23/95.

MARCHANT TIES RECORD:

Ducks center **Todd Marchant** tied the club record for most assists in a playoff game with three in Game 4 (May 25) of the Western Conference Finals at Edmonton...the feat had been accomplished three times previously (Dustin Penner, 5/9/06 @ COL, Steve Rucchin, 4/21/99 @ DET and Petr Sykora, 4/26/03 @ DAL).

NOBODY BEATS THE BRYZ:

Ilya Bryzgalov tied an NHL record with three consecutive shutouts (done five times previously) in Game 7 of the Conference Quarterfinals versus Calgary (May 3), Game 1 (May 5) and Game 2 (May 7) of the Conference Semifinal versus Colorado... In addition Bryzgalov's shutout sequence of 249:15, is the second-longest in NHL postseason history and is the longest ever by a rookie. Gerry McNeil previously held the rookie record at 218:42...Bryzgalov stopped 98 consecutive shots.

LONGEST SHUTOUT SEQUENCE BY A GOALTENDER IN ONE PLAYOFF YEAR:

Streak	Goaltender	Team	Dates
270:08	George Hainsworth	Canadiens	3/28-4/3, 1930
249:15	***Ilya Bryzgalov***	***Ducks***	***5/3-5/7, 2006***
248:35	Dave Kerr	Rangers	3/25-4/6, 1937
248:32	Normie Smith	Red Wings	3/24-28, 1936
218:42	Gerry McNeil	Canadiens	3/27-31, 1951
217:54	***J.S. Giguere***	***Ducks***	***5/5-16, 2003***

FIRST IN 61 YEARS:

In Game 1 (May 5) versus COL, Ducks goaltender **Ilya Bryzgalov** became the first rookie to record consecutive shutouts in the playoffs since 1945...the last rookie goaltender to post consecutive shutouts in the postseason was Toronto's Frank McCool in April of 1945…McCool had three consecutive shutouts versus Detroit on April 6, 8 and 12...Bryzgalov tied him for the rookie record.

ANOTHER ONE FOR BRYZ:

Ilya Bryzgalov is only the fourth rookie goaltender to win all four games of a playoff series sweep...the others are Chicago's Tony Esposito in 1970 vs. Detroit; Montreal's Jacques Plante in 1954 vs. Boston; Montreal's Bill Durnan in the 1944 Stanley Cup Finals versus Chicago.

BRYZ SHUTS THE DOOR:

Ilya Bryzgalov's shutout in Game 7 (May 3) of the Western Conference Quarterfinals at Calgary was the first shutout by a rookie in a Game 7 since May 15, 1993, when Felix Potvin of Toronto shutout St. Louis...in addition, it was only the third shutout in a Game 7 by a rookie in NHL history as the New York Islanders' Chico Resch was the first goalie to do so in 1975 at Pittsburgh...**Bryzgalov led the NHL in GAA (1.46), SV% (.944) and shutouts (3).**

SELANNE WITH ANOTHER DUCK RECORD:

Ducks right wing **Teemu Selanne** had points in seven straight playoff games (Apr. 23-May 5), scoring 4-5=9 points, tying a club record for longest playoff point streak (also, Dmitri Mironov (0-8=8 points), Apr. 24-May 8, 1997).

PENNER IN THE FRANCHISE RECORD BOOK:

With three assists in Game 3 (May 9) of the Conference Semifinals versus Colorado, Ducks left wing **Dustin Penner** tied the franchise record for most assists in a playoff game (done twice previously, Steve Rucchin, 4/21/99 @ DET and Petr Sykora, 4/26/03 @ DAL)...his three assists are the first ever recorded by a rookie in a single playoff game in team history.

RALLY:

Anaheim's Western Conference Quarterfinal win versus Calgary marked the second time the club has ever rallied from a series deficit to win (also 1997, down 3-2 vs. PHX, won series 4-3).

DECIDING RECORD:

With their 3-0 victory in Game 7 (May 3) of the Western Conference Quarterfinal at Calgary, the Ducks improved their record in Game 7s to 2-1...the win at Calgary was the Ducks' first series clinching game on the road...in their first ever Game 7 (April 29) versus Phoenix in the 1997 Conference Quarterfinals, the Ducks won 3-0...in Game 7 (June 9) of the 2003 Stanley Cup Finals, the Ducks dropped a 3-0 decision to the New Jersey Devils.

PERFECT IN GAME 6:

With a 2-1 victory in Game 6 (May 1) in Anaheim, the Ducks extended their perfect record in Game 6s to four games...below is a list:

Date	Series	Opponent Score
May 1, 2006	CQF vs. CGY	W, 2-1
June 7, 2003	SCF vs. NJ	W, 5-2
May 5, 2003	CSF vs. DAL	W, 4-3
April 27, 1997	CQF @ PHX	W, 3-2 (OT)

TWO FOR THE ROOKIES:

Mighty Ducks defenseman **Francois Beauchemin's** two goals (both PPGs) in Game 3 of the Western Conference Quarterfinals set a club record for goals in a playoff game by a rookie...in addition, he tied the club record for most goals in a playoff game (eight times previously), most goals by a defenseman in a playoff game (J.J. Daigneault, Game 2 of CQF, April 18, 1997) and most power play goals in a playoff game (Adam Oates, Game 4 of WCF, May 16, 2003)...**Dustin Penner** tied the record with two goals in Game 4 (May 25) of the Western Conference Finals.

OH WHAT A NIGHT:

In Game 3 (May 9) at Colorado in the Western Conference Semifinals, Joffrey Lupul scored all four of the Ducks goals, including the game-winner in overtime...in doing so, he became the first player in NHL playoff history to score four goals, including the overtime winner...the four-goal game was the first ever by a Ducks player in the postseason or regular season...he's the first player to account for all four of his team's goals in a win since Maurice "Rocket" Richard did so on March 23, 1944...the feat had been accomplished twice previously...prior to Lupul's four goals, the last player to score four goals in a playoff game was Theo Fleury on May 13, 1995 for the Flames in a 6-4 win over San Jose...below is a list of players to account for all four of their teams goals:

PLAYERS TO SCORE 4+ GOALS, ACCOUNTING FOR ALL HIS TEAM'S GOALS (NHL PLAYOFF HISTORY)

Date	Teams	Goals
05/09/2006	***ANA 4 vs COL 3***	***Joffrey Lupul 4 (win)***
04/26/1993	NYI 4 at WAS 6	Ray Ferraro 4 (loss)
04/10/1986	CHI 4 vs TOR 6	Denis Savard 4 (loss)
03/23/1944	MTL 5 vs TOR 1	Rocket Richard 5 (win)
03/22/1919	MTL 4 at SEA 2	Newsy Lalonde 4 (win)

LUPUL'S BIG NIGHT:

Ducks right wing **Joffrey Lupul** became the first Ducks player to score four goals in a playoff or regular season game...in addition, Lupul broke the playoff record for goals in a series; he had six in four games in the Western Conference Semifinal series versus Colorado (Paul Kariya and Teemu Selanne each had five goals in the 1997 Conference Quarterfinals versus Phoenix, seven games)...he has also eclipsed the record for goals in a playoff season with nine (seven was the previous record, done three times: Paul Kariya and Teemu Selanne in 1997, 11 games; and Steve Rucchin, 2003, 21 games)...his three-game goal streak (6-0=6) from May 7-11, is the longest goal streak in club playoff history.

2003 PLAYOFF NOTES

Ducks Capture First Western Conference Championship:

The Ducks finished the 2003 playoffs with a record of 15-6, recording the highest winning percentage in the NHL (.714)…the Ducks had a 9-1 record at home during the playoffs, second only to New Jersey's 12-1 mark…Anaheim swept the Minnesota Wild to win the Western Conference Championship, advancing to the Stanley Cup Finals for the first time in club history… the Ducks became the second post 1990's expansion team to reach the Finals, following the Florida Panthers in 1996 (vs. Colorado)…since the NHL assumed control of the Stanley Cup Finals after the 1926 season, the Ducks were only the fourth team in league history from the Pacific Time Zone to reach the Finals (Vancouver in 1994 and 1982, Los Angeles in 1993).

Team Defense Leads To NHL Record:

The Ducks set an NHL record in their Western Conference Finals series vs. Minnesota, allowing the fewest goals against in a best-of-7 series by allowing just a single marker to the Wild...Andrew Brunette scored at 4:37 of the first period in Game Four to notch the first Minnesota goal...the 1935 Toronto Maple Leafs and 1952 Detroit Red Wings each surrendered two goals in four-game series.

Overtime Magic For Ducks in 2003:

The Ducks went 7-0 in overtime in the 2003 playoffs, becoming the first team in NHL playoff history to go undefeated in OT when playing in at least six such contests…the seven consecutive overtime wins was second only to the 1993 Canadiens (10) for consecutive OT wins during one playoff season (Montreal finished 10-1 in OT)… Anaheim was the first team in NHL history to win four games in overtime in their first six postseason contests (Ducks were also the sixth team in NHL history to PLAY in four OT games in the first six playoff contests...the Ducks also became the first team since the 1994 Vancouver Canucks (April 26-30) to win three straight playoff games in overtime (no team has ever won four straight)...the Ducks won three straight spanning Game 4 of the conference Quarter-Finals (Apr. 16) and Games 1 & 2 of the conference Semi-Finals (Apr. 24-26)…the Ducks had six different goal scorers in the seven overtime games (Sykora had two; Kariya, Rucchin, Leclerc, Thomas and Salei had one).

Ducks Take Care Of Business At Home:

The Ducks finished 9-1 at home in the playoffs, including seven-straight home wins to end the postseason (second longest of '03 playoffs, behind New Jersey's eight)…the club's only loss was a 2-1 setback to Dallas in Game 3 of the Conf. Semifinals…the Ducks earned a record of 3-1 in Game 3, 4-0 in Game Four and 2-0 in Game 6…the club out-scored the opposition 26-to-13 at home this postseason…the Ducks allowed one-goal-or-fewer on five occasions.

Winning the Close Ones:

The Ducks had a remarkable 12-1 record in the 2003 playoffs in games decided by one goal-or-less…the 12 one-goal wins tied the most in league history during one playoff year (also 1993 Canadiens)... The Ducks two-goal win in Game 1 of the Western Conference Finals broke a string of nine consecutive wins by a one-goal margin (4/10/03 - 5/10/03), which broke the record for one playoff year...the previous record was seven, done twice before (1989 Canadiens and 2001 Kings)... five of the games needed overtime to be decided… the Ducks eight consecutive one-goal decisions to start the playoffs tied the record for one playoff year (1989 Canadiens).

MOST 1-GOAL WINS IN A SINGLE POST SEASON:

Year		W	L
1993	Montreal Canadiens	12	1
2003	***Mighty Ducks of Anaheim***	***12***	***1***
2000	Dallas Stars	10	4
2000	New Jersey Devils	9	5
2002	Carolina Hurricanes	9	4

Playoff Special Teams:

The Ducks went 8-for-70 (11.4%) overall on the power play in the postseason (ranking 13th)...the club was 61-for-70 (87.1%) on the penalty kill (ranking fifth)…Anaheim scored its first-ever shorthanded goal in a playoff game in Game 1 @ DAL (4/24/03 - **Rob Niedermayer**) and had three in the playoffs (tied for most in NHL with Ottawa).

Off and Running:

The Ducks began the playoffs on a six-game winning streak, which was the longest of the 2003 playoffs….by going 6-0 vs. Detroit and Dallas, Anaheim became the first team in NHL history to win six-straight games to start the playoffs vs. teams that had over 100+ points in the regular season...in addition, the Ducks joined the former Minnesota North Stars (now Dallas Stars) as the only teams in NHL history to start the postseason as a road team and win six-straight...the North Stars won six straight from April 8-19, 1981.

Giguere Makes History in OT:

J.S. Giguere owns the longest scoreless OT minutes streak in NHL playoff history...he surpassed Patrick Roy to set an NHL record in Game 3 vs. New Jersey and has a current streak of 168:27...with three shutouts vs. Minnesota in the Conference Finals, Giguere was the sixth netminder in NHL history to record three consecutive playoff shutouts and the first to do so in the Conference Finals or NHL Semifinals...Giguere joined Clint Benedict (Montreal Maroons, 1926), John Ross Roach (New York Rangers, 1929), Frank McCool (Toronto, 1945), Brent Johnson (St. Louis, 2002) and Patrick Lalime (Ottawa, 2002) for that record...he also tied an NHL Playoff Record for most shutouts in a series, set eight times previously, including twice last season by Brent Johnson (St. Louis) and Patrick Lalime (Ottawa)...below is closer look:

1997 PLAYOFF NOTES

After defeating Phoenix in the first round, Anaheim was matched up with the number three seed in the West, the Detroit Red Wings. The Mighty Ducks had defeated the Red Wings, 3-0-1, in the regular season series. The playoff series between the two would have a different result, with Detroit winning the first four games, eliminating Anaheim from the 1997 Stanley Cup Playoffs. Though Detroit officially earned a sweep in the series, it was a lot closer than the numbers would indicate. Three of the games went into overtime, including one that went into double overtime and one that went into triple overtime. The goaltenders were the stars of the series, with Guy Hebert, Mikhail Shtalenkov and Mike Vernon combining for 333 total saves on 354 total shots (.941 SV%). Paul Kariya (2-2=4) and Dmitri Mironov (0-4=4) led Anaheim in scoring for the playoff series while Sergei Fedorov (2-3=5), Vyacheslav Kozlov (3-1=4), and Vladimir Konstantinov (0-4=4) led Detroit in scoring.

Game One @ Detroit (May 2), Detroit 2, Anaheim 1 (OT):

The Mighty Ducks were defeated by Detroit in Game One @ Joe Louis Arena, giving the Red Wings a 1-0 lead in the best-of-seven series. Detroit evened the score midway through the third period, with Sergei Fedorov scoring his first goal of the post-season, sending the game into overtime. Fedorov's goal was Detroit's first goal vs. Anaheim since March 12 @ the Arrowhead Pond, snapping the Mighty Ducks' shutout streak vs. the Red Wings at 145:13. The goal was also the first allowed by Hebert in the playoffs since Game 6 of the Quarterfinals @ Phoenix (a span of 120:46). In the extra period, Martin Lapointe scored on a two-on-one break just 59 seconds into overtime to give the Red Wings the 2-1 win. Guy Hebert stopped 28-of-30 shots, taking the loss.

Game Two @ Detroit (May 4), Detroit 3, Anaheim 2 (3 OT):

The Mighty Ducks played the longest game in team history (since surpassed), going into three overtime periods before dropping a 3-2 decision to the Red Wings. There were 101:31 minutes of hockey played in the game that began at 2:08 p.m. and ended at 7:39 p.m. The two clubs combined for 122 shots (Wings - 71, Ducks - 51), the third-most shots by two teams in NHL playoff history. Detroit's 71 shots rank third all-time for one team. These rankings are since 1963 - the earliest year Elias Sports Bureau can research the stat. Kozlov's power play goal marked Detroit's first goal with a man-advantage vs. Anaheim this season (the Ducks had stopped all 22 Wings power plays faced this season before Kozlov's score). HOCKEY TERMS

BACKCHECKING: Forwards in the enemy zone skate back to their own end of the ice to protect their goal and prevent the opponent from shooting.

BOARDING: Violently checking an opponent into the boards. Illegal and calls for a penalty.

BODY CHECK: Slowing or stopping an opponent with the puck by using hip or shoulder. This is legal.

BREAKAWAY: No opponent between the puck carrier and the opposition's goal except the goalie.

BUTT-ENDING: To hit an opponent with the end of the stick farthest from the blade. Illegal and calls for a penalty.

CHARGING: Taking more than three strides before checking an opponent constitutes charging. Illegal and calls for a penalty.

CROSS-CHECKING: To hit an opponent with both hands on the stick and no part of the stick on the ice. Illegal and calls for a penalty.

DEKE: A quick move or feint by the puck carrier, who attempts to evade and fake out the opponent.

DROP PASS: Puck carrier leaves the puck behind to be picked up by a tailing teammate.

FORECHECKING: Hustling in the opponent's defensive zone by the forwards who want to keep the puck there and hopefully take it away.

HEAD-MANNING: When a player passes the puck forward to an attacking teammate.

FIVE-HOLE: The path the puck travels in a goal scored between the goalie's legs.
(e.g. "He went for the five hole on that shot.").

FREEZING THE PUCK: Pinning the puck against the boards with either the stick and/or skates.

GAME MISCONDUCT: A penalty called on an individual that disqualifies him for the rest of the game.

HAT TRICK: Three goals by a single player in a game.

HIGH STICKING: Carrying the stick above the shoulder level. If used against an opponent, it calls for a penalty. No goal can be scored with a high stick hit above shoulder level.

HOLDING: To use your hands on an opponent or his equipment. Illegal and calls for a penalty.

ICING THE PUCK: Shooting the puck from behind the center red line across the opponent's red line. Legal only when icing team is shorthanded. Otherwise a face-off is called deep in offender's zone.

INTERFERENCE: Body contact with opponent who doesn't have the puck (or the last man to have touched the puck). Also called for knocking an opponent's fallen stick out of his reach. Illegal and calls for a penalty.

MAJOR PENALTY: A five-minute penalty. A major penalty is assessed for fighting as well as flagrant minor infractions, such as high-sticking, that result in injury.

MINOR PENALTY: A two-minute penalty. Minor penalties include holding, hooking, interference, delay of game, cross-checking and highsticking.

MISCONDUCT PENALTY: A 10-minute penalty called against an individual. Substitutes are permitted. Called for insubordination or when a player incurs second major penalty in a game.

NEUTRAL ZONE: Center ice area between defending and attacking zones.

ONE-TIMER: An offensive player accepts a pass from a teammate and attempts a slap shot in the same motion.

OFF-SIDE: Called when an attacking player precedes the puck across the opponent's blue line. Illegal and calls for stoppage of play and a face-off.

PENALTY SHOT: A penalty shot is a one-on-one showdown between an offensive player and the goalie. Penalty shots are called when a player is fouled from behind and denied a breakaway scoring opportunity. They are also called for deliberately displacing the goal post during a breakaway, or when a defending player other than the goalie falls on the puck.

POINT: A position just inside the opposition blue line usually manned by defensemen when their team is in control of the puck in the opposition's zone.

POKE CHECK: To dislodge the puck from an opponent by stabbing at it with the blade of a stick. This is legal.

POWER PLAY: Occurs when a team has a one-or-two-man advantage because of penalties. Teams often use four forwards and one defenseman in this situation.

SCREEN SHOT: A shot the goalie has difficulty seeing because one or more players are between him and the shooter.

SLASHING: To swing stick at an opponent. Illegal and calls for a penalty, even if contact isn't made.

SLOT: The area directly in front of the goal crease where many offensive opportunities take place.

SPEARING: To use the stick like a spear. Illegal and calls for a five-minute major penalty.

SWEEP CHECK: To use the entire length of the stick with a sweeping motion while laying it flat on the ice in order to dislodge the puck from an opponent. This is legal.

TOP-SHELF: Placing the puck above either shoulder of the goalie in a scoring attempt. (e.g. "He went top-shelf in scoring that goal.")

** NOTE: No individual skater/goaltender statistics apply for the shootout

ASSIST ..... An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

GAME PLAYED..... A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

GAME-WINNING GOAL..... After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

GOAL..... A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

GOALS-AGAINST AVERAGE... Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

GOALTENDER..... A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

PENALTY-KILLING PCT..... Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

PLUS-MINUS..... A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

POWER-PLAY GOAL..... A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

POWER-PLAY PERCENTAGE... Total number of power-play goals divided by total number of power-play opportunities.

SAVE PERCENTAGE ..... Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

SHOOTING PERCENTAGE ..... Divide the number of goals scored by the number of shots taken.

SHORTHAND GOAL ..... A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

SHOT ON GOAL..... If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

SHUTOUT..... If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

TENTHS OF A SECOND ..... If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

COACHES RECORD..... A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

SPORT | HYBRID

EVERYTHING A HYBRID IS. AND ISN'T.

Introducing the sport hybrid. Hybrids are all the rage. Efficiency is more important now than ever. But at Honda, we weren't about to turn our back on hairpin turns and manual gearboxes. So we designed a hybrid that defies logic and embraces the pure driving experience most hybrids ignore. The result is certainly a hybrid. But also something else altogether. For more, visit **cr-z.honda.com**.
